

## FOR WHOM

People who are looking for something special, trusting and unique: an individual **high fashion jeans**, that is manufactured sustainably.

## WHY ONE-OFFsue

The brand name stands for **unique pieces** that tell fascinating stories. The person who wears it becomes part of these stories.

### Design – Craft – Transparency – Ecology

- | Each piece with its own, unique design concept
- | Refined with exceptional accessories
- | High-quality, eco-certified denim
- | Coloring of buttons and rivets with edible substances
- | Back patches made of recycled PET-bottles
- | GOTS-certified pocket lining
- | Slow fashion principle – close to nature, fair, local

*be unique  
in green denim!*

**HOW** DESIGNED  
Handpainted. Coffee-tinting. Zipper. Embroidered comic. 3D-patch. Overlong belts. Sequin applications. Grafic transfer prints. Big snap buttons. Cords. Striking lettering...

**ONE-OF**  **F** <sup>®</sup> sue  
limited organic jeans art

**WHAT** IS IT ABOUT

**Sustainability**, emotional **fashion design** and the attractiveness of a **single piece** combined ingeniously – **denim art** for legs. Limited, numbered jeans with corresponding added value. Each with its own design concept and different finish. Made in Germany. As sustainable as possible. With the utmost respect for our planet.

**WHICH** STYLES

Super Wideleg. Mom's. Boyfriend. Midwaist- & Highwaist-Tube. Shorts... Perfect fit, relaxed fit or the cool non fit style.
